Office Meetings

Determining what to do every week at office and sales meetings is an ongoing challenge for real estate managers.

Why not invite a guest speaker? We will provide a 20- to 30-minute online presentation for your team, scheduled according to your usual meeting time.

You may choose from our varied list of topics—or, we will research and present a topic that you request.

All you need is a conference room, an Internet-connected computer with speakers, and a large monitor. (A microphone is optional.)

Our Pricing*:

\$500 for your entire team, for a single meeting
\$2,000 for a set of 5 office meetings
\$1,000 for your entire team for a custom meeting

** Pricing subject to change*

908-612-4962

Webinars

We provide a variety of scheduled webinars on current real estate topics.

Each webinar is about 45 minutes in length, so can easily fit into your business day.

Please visit our website for the current list of webinar topics and the latest schedule.

*Choose the webinars that
most interest you!*

Our Pricing*:

\$39 per person, for each webinar

Coaching for Productivity

In a volatile market, focusing on income-producing activities is a challenge.

We help take the load off sales managers and in-house trainers by providing affordable coaching and accountability.

Our program offers 12 weeks of 90-minute, online weekly accountability, training, & coaching sessions, incorporating agent tools, a program workbook, and online results-tracking.

Group size: 12-24 real estate agents from the same company

Our Pricing*:

Pricing for the 12-week period—
12 to 16 agents in the group:
\$375 per agent (\$31.25 per week)

17 to 24 agents in the group:
\$300 per agent (\$25 per week)

Public sessions are also available.
